## From the Pastor

September is coming soon and kids will go back to school and our church also will regain the energetic rhythm and pattern of ministry and activity after a long rest and preparation for a new year. I am with great excitement and expectation envisioning a great year for our church for many reasons. Our worship services, both traditional one and contemporary praise one, will give people more enhanced opportunities to experience God and people will be finding life's meaning and direction through being parts of worships. And our children's ministry and youth group will generate and give more energy and motivations to both children and youth in learning and growing in their faith, character and relationship with God. And our diverse ministry and mission opportunities, both local and global, will enlarge the kingdom of God through faithful and energetic taking initiatives and taking active parts in them.

And there will be many more reasons for the positive envisioning of our church and all these will come true through our faith and faithfulness to the fundamental and intrinsic purposes of church.

We are faith a community grounded, guided, and guarded above all by the Bible and its teachings. We in the Bible see three major pillars on which we the church need to stand: confessional, connectional, and commissional. Christian church is based on Peter's confession of Jesus Christ (Matthew 16:16), and we affirm it whenever we gather together. And the New Commandments that Jesus gave us are the foundations of our ministry and mission (love God and love neighbor). And Jesus last command to us, making disciples of Christ to the ends of the earth, is the center in our mission and life in the world. We are called to make disciples through living as Jesus' disciples.

The third pillar, commissional (Jesus' last command), needs to take our attention and action more. Our immediate intention and attention should be on this instrumental ministry.

One of several tools to assess and measure being a faithful church to Jesus' command is asking how much efforts and energy we put on inviting people into the relationship with God in Jesus Christ. The fruitfulness of ministry often depends on how effectively we use trend of our society. In terms of inviting people, the fall is important, because more people tend to come back to church during this period of time. This is why the months from September till December have been known as "Harvest Months" among church growth and leadership teachers. Traditionally more people tend to come back to church because their awareness of need of faith and willingness to get involved in the local church go up. And so churches are encouraged to boost more tools and opportunities to draw those people to church this period of time of the year.

Inviting people into the relationship is intrinsic in being a church faithful to Jesus' command. In his conversation with his disciples Jesus said, *"My food is to do the will of him who sent me and to finish his work. Do you not say, 'Four months more and then the harvest'? I tell you, open your eyes and look at the field! They are ripe for harvest. Even now the reaper draws his wages, even now he harvests the crop for eternal life, so that the sower and the reaper may be glad together. Thus the saying 'One sows and another reaps' is true. I sent you to reap what you have not worked for. Others have done the hard work, and you have reaped the benefits of their labor"* (John, 4: 34-38).

As we are told, in the Bible, that a town of Samaritans entirely came to the relationship with Jesus Christ because of a woman's witness and invitation, we are called to invite people into the relationship with God in Christ Jesus, for a new life, for a new being (faith and character), for a new relationship.... I am envisioning here again what God will do for us and through us for the people in our area. And I believe that all these visions will be coming to us according to how we respond to the visions and take actions.

# Right at Home

*Where are we most comfortable?? Where do we feel we can let our guard down and just be ourselves??* Hopefully, most of us will say, well, when we're at home! Home is the place where we hang our hat and relax. It's our safe place. Even when we go on vacation, it's always good to come home. An old saying I saw as a young boy read, *"Travel east, travel west, after all, home is best."* I must have seen that well over forty years ago, but it still sticks with me.

Yes, the word "home" is the term we use when we're in our element, our comfort zone. Think about someone that has mastered a skill, or an athlete playing a great game; we'll often say, *"He (or she) is right at home."* Whether it be the baseball pitcher who finds a groove, the master chef in the kitchen or the experienced teacher at the front of the class, we know talent and skill when we see it, and we can tell when someone is feeling *right at home*.

Being away from home, especially when it's not for leisure, can be trying. Long business trips to unfamiliar places, students traveling abroad, or those times when we've gotten lost in a place we've never been before can all be excellent reasons to "click our heels" and wish we were home. Being away from home can be nerve racking, regardless of our age, and sometimes the unfamiliar just gets to us and we long to be back in the place we all call home.

When we reflect back on the Jesus' life, it's odd to think He had no home on earth. He knew his home was with his Father in Heaven, and that He would be reunited with Him there. Yet, even though He had no place to call home, He was at home wherever He went. He knew the Father was with Him always. In the desert, in a crowd by Himself in prayer, in the home of a tax collector and yes, even when hanging on a Cross, He was at home with His Father.

Jesus provides the same comfort and confidence for us when we call on Him through prayer. Wherever we are, and wherever we go, Jesus is right there with us. When we're in a happy place with our families, He's there. When we're traveling and miss the comforts of our physical home, He's there with us to remind us that anywhere we go, we can be at home with Him.

We all enjoy our comfort zones, and most of us would rather avoid the unexpected unknowns and interruptions that create additional stress in our lives. But let's always remember, when we have Jesus with us, there's never a reason to be afraid or panic. He's there, just a prayer away. Call on His Holy name and we'll see how quickly we'll be...well...***right at home!***

*Enjoy your travels and God Bless,*

*Dom Perfetti* 

# One Sided

*It's just not fair!* How many times have we said that in our lives?? We all want to see things done fairly and equally, especially when it's about us!! When things are "one sided," we don't like it. We know that there are at least two sides to every story, and when we only hear one, it's just not enough to satisfy our human nature.

Even when we're at sporting events, we like to see competition. Sure, if our team is winning with a lopsided score, we might feel good about our team, but even in those situations, a one-sided victory can be less rewarding than a well fought battle for the win.

And so it goes in life, we have an innate ability to sense the one sidedness of situations, and even in our early years, we see it, sense it and don't like it. It just isn't fair! It wasn't then and it's not now.

So where can we get the fair and unbiased viewpoint? One that we can always trust and not have to second guess? How do we judge and who is to judge? It's difficult to declare something unfair or stacked to one side if we don't understand each and every aspect of the circumstances. But how can we do that? Are we expected to know the thoughts and feelings of everyone involved to make a solid judgment or decision??

Well, no, but, there is Someone that can, and that Someone is very One sided. Someone who judges fairly one hundred percent of the time, completely from a One-sided view. When we face struggles that have such twisted stories and emotions, how do we unravel them, and also be able to look at them objectively? As in any situation in life, we turn to Jesus. Jesus is the only One-sided source that we can rely on for direction and the right path. It's so difficult for us at times to find the right answer and right advice when we look to each other. As much as our hearts may be willing to provide the best response possible to help a friend through a difficult time, sometimes it's just too difficult to separate feelings and not have our thoughts come from a one-sided view.

Jesus, on the other hand, knows all our thoughts and knows exactly what is on our hearts. When we call on Him to help us through all the difficulties we face in life. We can also rest assured that His answer will be One sided, but that is exactly what we need. We need to simply turn to Him, pour out our thoughts and feelings, and let Him answer as only He can do. His answers will always be One sided, because He and only He can answer us in a Holy and just way, consistently, for any situation we face.

In our day to day lives, we'll continually run into issues that we feel are one sided and need to be worked out for fairness and consistency. And in each case, we need to turn to Jesus, and let Him give us his One-sided view. It's the only one we will ever need.

With Jesus, life is just fine when it's **One sided**.

# Mission of Peace

The Albany District of the UMC has FOUR youth who have been chosen to be part of the NEJ Mission of Peace Team 2017 to Nicaragua! This speaks loudly to the quality of education, support and leadership that our district and conference provide for our young people.

The Mission of Peace is a yearly journey of discovery and Shalom to nations in our global community sponsored by the Northeast Jurisdictional Council on Youth Ministries of the United Methodist Church. Each year, every Annual Conference of the United Methodist Church in the Northeastern Jurisdiction may select up to four youth to share in this experience. In the case of vacancies, an annual conference may be allowed additional seats to fill these vacancies. On each MOP, participants worship in churches, meet youth in churches and civic organizations and share with people who have a similar longing for peace and understanding. These times have been the high points of each MOP experience.

The MOP is a life changing experience! It is a journey which leads each participant to discover God's Spirit at work in the world. It is an experience of God's extended family. It is a journey of discovering God's Shalom. It is primarily a people to people experience in which we learn from our hosts how they live as disciples of Jesus Christ in their country. It is a mission which has brought us closer to God's hoped for community where all are sisters and brothers.

Each year the Youth who represent the Annual Conferences of the United Methodist Church in the Northeastern Jurisdiction must raise the money which supports their MOP. In the spirit of Shalom, the Jurisdictional and Conference Councils on Youth Ministries or Youth Ministry Teams humbly ask each church, UMW unit, UMM unit, UMY, and individuals for prayerful consideration of a monetary gift to the Conference MOP participants.

Each youth who journeys on the Mission of Peace is expected to share their experience at least five times upon their return. Each MOP'er is looking forward to telling their story of Shalom. They may be contacted individually or through the Conference Youth Coordinator.

Those who have journeyed on the Mission of Peace give thanks to God and to all who have made it possible for us to make this journey. We pray daily for Shalom, for understanding between people, and that there may be the chance that others can journey on a Mission of Peace.

Inspired by the preaching of Bishop Dale White, the Mission of Peace was brought into existence by the Northeastern Jurisdictional Council on Youth Ministries (NEJCYM) Legislative Session at Albright College, July 28-31, 1984. Each year since, the NEJCYM Legislative Session has affirmed the priority of the Mission of Peace in order that new understandings of community and shalom might continue to develop. The MOP has traveled to the USSR (86-88, 90), The People's Republic of China (89, 97, 01, 06, 11, 16), Eastern Europe (91,92), Zimba-bwe (93, 96, 99), Guyana (94), India (95, 00, 05, 10, 15), Nicaragua (98, 03, 07, 12, 17), Brazil (02, 04), Cuba (08, 13), and South Africa (09, 14).

The Youth chosen for the 2017 MOP team are:

Eliana Mora, Emmaus UMC  
**Arthur Stott, McKownville UMC**  
**Emily Burns, McKownville UMC**  
 Emily Hyde, Calvary UMC

All Sunday School teachers, Christian Ed directors, youth group leaders, VBS volunteers, Camp staff and volunteers, Music Directors with children's music groups, and Senior Ministry volunteers should sit in on this training to catch up on new Minimum Standards passed at our denominational conference earlier this year!

Safe Sanctuaries is an overt expression in making congregations safe places where children, youth, and elders may experience the abiding love of God and fellowship within the community of faith.

In all you do, remember that as part of his public ministry, Jesus committed the then-radical act of welcoming children. Our commitment to reducing the risk of abuse in the church for children and youth is one way that we live out Jesus' act of love.

# The Pumpkins Are Coming!

**Mark your Calendars!!!**

**Thursday, September 22<sup>nd</sup> at 4:30pm**

marks the start of the Pumpkin Patch 2016 with Unloading Day.

Meet the delivery truck, work side by side with fellow church members, scout for the best pumpkins as they come off the truck, and support the MUMC Mission Scholarship Fund!

Refreshments will be provided for all volunteers.

Come when you can, stay as long as you are able.

The volunteer calendar for patch sitting shifts will be available in the west hallway outside the church office after Labor Day. It will also be available online at [www.mckownvillechurch.com](http://www.mckownvillechurch.com) - Check the schedule to see when we have openings. Sign up early to get your favorite shifts.

The Pumpkin Patch is a fundraiser to support the Mission Scholarship Fund. We have raised in excess of \$100,000 in Scholarship Money since October 1999. Scholarships are available to youth or adults who wish to volunteer their time as a mission volunteer, because of your support of the Pumpkin Patch. Scholarships usually cover 70% of the cost of the trip, so that the desire to serve is never impeded for financial reasons. Thank you to all who have generously volunteered their spare time in October and loyal purchased their fall pumpkins from our patch!

Pumpkin Patch Fundraisers does good at 5 different levels – Did you know that by supporting our pumpkin patch we:

- ✧ Give the Navajo Nation in Farmington, NM consistent agricultural employment and skills that have translated to other agricultural endeavors creating a much more sustainable economy than 25 years ago?
- ✧ Give the small independent truckers consistent, reliable work throughout the fall? PPF does not support the conglomerate trucking companies, only the individual truck owners who work independently.
- ✧ Keep at least 33% of the money raised by the sale of pumpkins in our scholarship fund as profit, which has supported mission trips to Ireland, Missouri Tornado Relief, Uganda, Nicaragua and so many more?
- ✧ Are able to use leftover pumpkins to bake 100 pumpkin pies each year which are donated to the Capital City Rescue Mission for Thanksgiving?
- ✧ Are able to support community organizations like St. Anne's, Albany City Schools and the Regional Food Bank with low cost or free pumpkins for the holidays?

Thank you for your ongoing support of this community project! I look forward to seeing you at the Patch!

## *Volunteers in Mission team to Nicaragua*

~March 2017~

A VIM opportunity in Nicaragua is being planned for late March—early April 2017. The team will work with Accion Medica Christianna (Christian Medical Action/AMC), Our UM missionary, Belinda Forbes, DDS, is our primary contact person. She and her agency, AMC, work with “poorest of the poor” in this beautiful country, which is the second poorest in our hemisphere. The tasks of the team have not yet been determined, but they will include projects that improve the lives of some people in Nicaragua. Possible projects might be construction of a pharmacy or community center, health education, assisting with dental car, or painting a clinic building. Hands-on direct medical care will not be one of the projects. Team members will also have the opportunity to form relationships with the warm, friendly people with whom they work.

The team/s will be jointly sponsored by the Jonesville UMC and First UMC, Schenectady. Details have not yet been determined. There may be options to go for either 10 days or two weeks. Cost will be approximately \$2,000-\$2,500. This amount includes airfare, food, transportation in the country, lodging, translator fees—everything except souvenirs. Dear Church Community!

As you know, we are in the process of getting all the materials together for our 150<sup>th</sup> Anniversary Memorial Patio. You may have noticed that the deadline to order personalized bricks has been extended a few times already and we want you to know that you can still purchase a last minute, engraved brick to be included in the patio. We are well on our way to having a comfortable amount of funding to build the patio but you still have an opportunity to have your message included. Submissions handed in with payment before the date of **September 11th** will be included in the order. **THIS IS THE FINAL DATE AS THE BRICKS WILL LIKELY BE ORDERED THE VERY NEXT DAY.**

See following pages for order form. Order forms also available in the back of the sanctuary.

## HOW OUR CHURCH BUDGET WORKS!

Leadership Council, in June, approved a budget (summarized below) for our fiscal year July 1, 2016 through June 30, 2017. This budget is balanced.

Our church's revenue comes from several sources. 73% comes from members who pledge, 11% from members who give but don't pledge, and 2% anonymous cash in the offering plate. (For most churches, "giving" represents 90% of budget.) About 5% comes from renting space to many groups that meet regularly in our building (AA, NA, Yoga); the Board of Elections uses our social area during elections. Fund raising (our Spring and Fall BBQs) brings in another 5%. And, this year, we will carry-over \$11,000 from last fiscal year, about 4%. This carry-over is unusual and unexpected. It arose for three reasons: several unexpected, generous donations of cash and stock near the end of the fiscal year, lower than expected costs for heating and snow removal because of exceptional weather, and not paying our full Ministry Share. There is no "catch-up" for missed Ministry Shares; the unpaid amounts are simply forgiven by the Conference. Leadership Council is committed to full payment this fiscal year and we are on schedule.

Our church's spending pattern is typical of a not-for-profit organization. Let's look at the details.

**Staff 48%.** About half of our spending is for staff salaries and benefits. We have one pastor, one half-time secretary, one music director, one choir director. We provide benefits required by law (FICA) or the United Methodist Church (pastor pensions, health insurance).

**Volunteers 0%.** In addition to paid staff, we have many volunteers. The Praise Band, members of the various choirs, teachers, tellers, and each member of our ministry teams contributes time and talent without compensation.

**Facilities 28%.** All facilities require maintenance and repair. It is nice to be warm in the winter and cool in the summer. The Trustees in recent years have aggressively made changes to cut long term costs. The solar panels on our sanctuary roof generate electricity that offsets utility costs. Lighting in and around our buildings is being upgraded to LEDs that have lower electric demand.

**Ministry Share 14%.** This is our share of support to programs of the greater United Methodist Church. It pays staff and funds programs of our Upper New York Annual Conference and the world-wide General Conference. Through these parts of our church we are connected around the world, helping others in distant lands about which we know little but which the Church deems worthy of support.

**Administration 8%.** Each year we publish 11 monthly news letters and print 52 weekly bulletins. To do so takes paper and postage. Many shut-in members rely on the monthly news to stay informed about our church. We also have a web site.

**Education and Program 2%.** This is our program for ourselves. It is our worship, Sunday School, youth group, senior group, Adult Forum. It is educating the next generation of leaders of McKownville Church. It is attracting new members. It is equipping members to minister to our neighbors. This spending strengthens and refreshes each one of us so we may leave the shelter of the sanctuary and move into the real world, being the hands of Christ to real people facing real problems and hurting in real ways.

That's a short version of where our church's money comes from and how it is spent. Questions? Ask a member of the appropriate Ministry Team.

Leadership Council thanks each for your diligent and generous giving.

## Adult Study

**Begins September 17th,  
Runs 8 Weeks**

Plan ahead for this study by beginning to read the book.

### Discussing *Mere Christianity*

**This book by C.S. Lewis** is considered by many to be a Christian classic.

In this eight-session video group study, you will discover why "Mere Christianity" by C.S. Lewis is one of the most read and beloved Christian books of all time. But 70 years later from when it was first delivered on radio, what relevance does it have to our

world today? Host Eric Metaxas and a variety of Christian leaders (e.g. N.T. Wright, Tim Keller, Lauren Winner, Devin Brown, Paul McCusker, Douglas Gresham) help us understand the timeless message of C.S. Lewis in fresh ways for a new generation. The first purpose of this video study is to explore the positive ideas that C.S. Lewis has so eloquently written about in "Mere Christianity" for those who already call themselves Christian. The second purpose is to explain in an engaging, winsome and non-threatening way the basic tenants of the Christian faith as illustrated by C.S. Lewis to those who do not claim to be Christian. This study aims to fulfill the vision of C.S. Lewis of reaching people from all faith backgrounds.

### Church Singles Group (AKA CSG) Update!

The church singles group is going strong. So far the group has met monthly for the past three months. First meeting was in a club house to socialize and plan. Then the group went to the movies and went to the Saratoga Fairgrounds garage sale together. If you are a pre-retired single person, join in the fun. If there is an activity that you always wanted to do but did not want to do it alone, join the singles group and we can all go together. There is interest in Bible studies and quest speakers on certain topics that are going to be planned in the future. Below is the list of future planned events. The group is still evolving and growing. There is room for more people and ideas for activities. The goal of the group to provide support, fellowship and social networking. Please consider attending the future gatherings.

Upcoming singles activities:

Sunday, September 25th , Indian Ladder for lunch and apple picking

Sunday, October 16th, participating in the Buddy Walk in Schenectady

Any questions, talk to Ruth Candelario [rnect\\_pr07@yahoo.com](mailto:rnect_pr07@yahoo.com) or Liz Wiseman [bolsterwise@gmail.com](mailto:bolsterwise@gmail.com)

# Back to School Checklist:

## A Three-Week Guide

### 3 weeks before school starts:

- Inventory your child's clothing and sell or give away any items that are too small. Make a list of what he needs before you start shopping for new clothes.
- If you're not already, familiarize yourself with the school's Web site. Many teachers post a school-supply list, welcome note or other information.
- Make a list of the school supplies you'll need to purchase new or replenish, as well as any other necessary items, like backpacks or lunchboxes.
- Gather ads and circulars for back-to-school sales. Form a game plan for which stores you'll hit.
- Review your emergency plan and revise if necessary. Call your emergency contacts to confirm that they can still help if a situation arises (say, can they pick your kids up from school or the bus stop if you can't).

### 2 weeks before school starts:

- Have a child who's new to middle school? Have her practice with a combination lock. Also, if possible, go to the school and practice changing classes.
- Encourage your child to write down his locker combination, class schedule, room numbers and teachers' names in a planner or agenda. (And double check it.)
- Shop for school supplies and clothes. Use our easy school-shopping guide.
- Confirm after-school child-care arrangements.
- Plan morning, afternoon and evening routines, and involve your kids, whenever possible, in this process. Begin enforcing bedtimes and practice waking up at the same time each day.

### 1 week before school starts:

- Shop for groceries for next week's school lunches.
- Wash all your child's new school clothes; make sure staples are laundered, too.
- If you haven't already, visit the school with your child for a re-familiarizing walk.
- Show your child his bus stop and go over the plan for getting to and from.
- Ask if your child has any questions or concerns she might want to discuss. Let her know you're available anytime she wants to chat.

### The night before the first day of school:

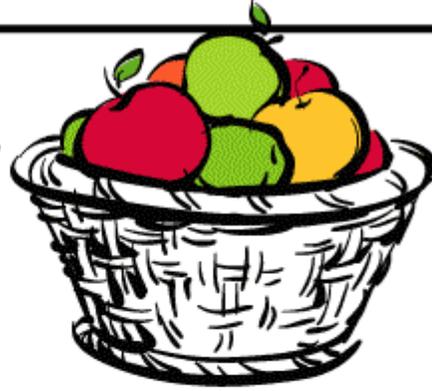

- Lay out clothes, shoes and backpacks for the next day.
- Plan what to make for breakfast.
- Have your camera (or phone) ready to snap some first-day pictures in the morning.
- Put your evening routine into action.
- Get plenty of sleep!
