From the Pastor...

Recently I purposely thought of the word “gratitude”— of course I preached on the topic several times because I feel I have not been grateful to God these days. So, I decided to talk about gratitude in this newsletter.

Gratitude or thankfulness is a key for the fruitful relationship. Words of compliment or appreciations are powerful boosts for any relationship. The church community is not different at all. The best way to strengthen unity in the church community is to support and assist one another in being the best we can be.

Charles Duhigg is an investigative reporter for The New York Times. He talks about how habits work in his excellent book, *the Power of Habit*. He argues that people would say they don’t have any habits but everybody does. He talks about a Duke University researcher who in 2006 found that more than 40 percent of the actions people performed each day weren’t actual decisions, but habits. Habits can either cultivate or destroy positive climate. We can remake our lives in relatively short periods of time. Focus on one pattern—what is known as a “keystone habit.” He pushes us to reprogram to positive routines in our life. If we want to live a better life, what we need to do is to eradicate bad the habits from life. But eradicating a bad habit is not enough. We have to replace it with something positive. We have to develop a good habit instead. Cultivating a good habit requires effort, energy, time, and routine. And developing a habit of gratitude is a key to the success in any relationship.

Words of compliment or appreciation are powerful boosts for any relationship—it is true even in our relationship with God. The best way to strengthen a relationship is to support and assist one another in being the best one can be. And it can be realized by expressing our thankfulness to others as frequently as we can. It can be begin with expressing gratitude for a trivial thing in every day life. There is no better language than expressing gratitude and thankfulness. If our lives have more words of thankfulness and encouragement, our world will be a more livable place for all of us. Paul often talks about the significance of using good languages in his letters. “Let no evil talk come out of your mouths, but **only what is useful for building up**, as there is need, so that your words may give grace to those who hear” (Ephesians 4:29, NIV). “Watch the way you talk. Let nothing foul or dirty come out of your mouth. Say only what helps, each word a gift” (4:29, the Message). All of Scripture calls us to live in a posture of thankfulness, first to God and then to other people. That’s what we do when we gather for worship. We pause and say “Thank you, God, for all the blessings.”

Let us be thankful and say “Thank you” more often in any situation. Only the people who are thankful to God can be true Christians. My prayer is that all of us in McKownville become thankful people along with all the people outside of our church. Thank you Lord.

Batting 1,000

Baseball season is now in full swing (*no pun intended*), and whether we're all fans or not, I'm sure we've all heard the phrase, "*batting 1000.*" What's that mean?? It means your perfect at the plate, you get a hit every time you're at bat!

Has anyone ever accomplished that?? Not even close. The best players of all time have had career batting averages in the mid to upper "300's" at best. This means that the best of the best make an out nearly two-thirds of the time! Yup, that's right, our favorite heroes on the diamond, as good as they are, are considered All-Stars if they get 3 or 4 hits out of every 10 at bats.

So, exactly what does this have to do with our Christian lives? Maybe a lot, (*please read on...*)

We all try to do our best. We work on careers, work at our studies, work at building better relationships with family and friends, and work at building a better atmosphere in our Church. But, let's face it, no matter how hard we try, we still make our share of outs! It's a fact of life – we try, we succeed, we fail, and we hope to learn for the next time, and we try again. It's the way it goes.

As hard as we try, and as good as our intent can be. We don't always make meet the expectations of ourselves and others. We all struggle with time constraints, trying to be all we can for everyone at every moment, and often find ourselves exhausted and just looking for a little peace and quiet...and, well, that's where Jesus comes in.

We just need to accept that fact that as humans, we will err and fall short many times, it's simply a fact. But we can graciously accept that fact when we turn our lives to the One who is perfect and knows the plan for our lives before we can even begin to think about our next decision.

The peace that Jesus can provide does not come from our struggle to live perfect lives, but from knowing that we can turn our challenges over to His perfect Way . When we truly turn our hearts to the Lord and make our decisions through deep and thoughtful prayer to Jesus, we don't have to worry about the outcome. We know He's in charge and our Faith tells us that what we can't see at the time, Jesus can. When we pray and open our hearts to Him, there is no bad outcome or strike out!

Our limited view can cause us anxiety, worry and fear. But Jesus's eternal view gives us peace and confidence in all we do through His love and promises.

We're not perfect, and we never will be. Jesus IS perfect, and ALWAYS will be. When we need to step up to the plate, let's bring Jesus with us. No matter what happens, ***He always bats 1000!***

Prayers and Blessings for a wonderful summer,

Dom Perfetti

Welcome every one of you to the Ministry of Healing. Healing is not only for the sick but there are so many need the divine healing from God Almighty. When we look at the daily news one news is very concern that is all the school's. There are schools facing tears and trail's and they still need our prayers and healing from God Almighty. In the middle of all this, our children must have education. Education is very unique. Without education what will their future be?. Some are born intelligent and some need

help. Some are facing unsuccess in their education. The wisdom and knowledge are hidden in the power of God.

In our Bible, the Book Of Proverb 9:10 says, "The fear of the Lord is the beginning of wisdom and knowledge of the Holy one is insight." But today the digital is challenging. Now we have the world in our palm of our hand. The Children are very much learning so many from it. Divine knowledge and wisdom are very unique and come from God. If we have it we can reach our goal without any difficulty This is evident in our Bible. The Book of Daniel is the witness for today's young generations.

Daniel the young man was captured from Jerusalem to Babylon as prisoner. Babylon was filled with idol worship. But Daniel kept his faith in one true God. King Nebuchadnezzar (605-562 B.) had a dream. He was disturbed and he put an order all around in his country, " All the intellectual people must come forward and tell the King's dream and the interpretation." If they were unable to they would be put to death. So the impossibility of the task, emphasized to the extreme by the threat of death. Daniel was one of the intelligent member in the Kings palace. Daniel put his faith first, and fear to God of Heaven and prayed (Daniel 2:21-23) This is the Prayer Of Daniel, "He gives wisdom to the wise and knowledge to those who have understanding. He reveals deep and hidden things, he knows what is in the darkness and light dwell with him. To You, O God of my ancestors, I give thanks and praise for you have given me wisdom and power and have revealed to us what we asked for you."

During his prayer, God of Heaven gave a special wisdom to Daniel. By faith and prayer Daniel received wisdom which was the dream of the King and the interpretation. He revealed it to King Nebuchadnezzar's dream and the meaning of his dream. Because of this, Daniel was saved and all other intellectual members were also saved from the death sentence. Daniel's prayer is an instrument for the young generations even today. You may ask how it will help them. Did any one use the Prayer Of Daniel. Yes, a young high school student used it. I would like to share the true witness of how God helped her and how God Of Heaven used me to support her.

This is not a made up story but it is true witness to the Lord Jesus Christ. On May, 1992 one morning around 11:00 am I heard my door bell ring. When I opened the door I saw a middle aged woman and a young teenage girl standing at my door. I remembered the woman, she used to attend the worship in home Church, (St. Paul's Church, CSI). Immediately I invited them to come in. I offered help to sit comfortably in a sofa. The woman introduced the teenage girl as her only daughter, Grace. The mother's name was Hannah. The mother and daughter looked very sad, tired and tear's filled their eyes. I asked them how can I help them.

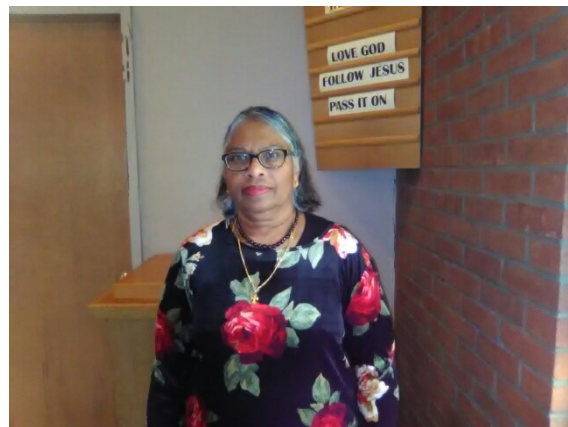

After our lunch I looked at the mother and the daughter felt easy and smile on their face. I asked the daughter, "Grace what do you want to be after your High school graduation." She said, "I want to be a teacher and I want to give Mom rest from her hard work." I said to Grace, "I would like to offer a small prayer which was said by a young man and he took a mightiest success and promotion in his position by the power of God. She said, "Yes," We sat with our Bible, the Holy spirit guided me to offer them the Word from the Book of Daniel Chapter 2:21-23. THE PRAYER OF DANIEL. I gave the explanation on how Daniel put all his faith and fear over the God Of Heaven. And he received the unique wisdom and knowledge. The mother and the daughter read the scripture Daniel 2: 21-23. This young girl need two things: one was success on her final exam and the second was a job to support her mom. We knelt and closed our eyes and I did my sincere prayer. I asked the Lord Jesus Christ to be her teacher and teach her lessons to take the final exam to receive her success and guide her to the right place and right employer to offer her a job.

After we finished our prayer and wiped our tears, I said to Grace pray while she is preparing for her exam and use the Daniel Prayer. Mother and daughter's faces were filled with peace and smiles. I send them with my blessing's. After two months Grace and Hannah came back to my home. Grace said that she got a job. She was praying the Prayer of Daniel while preparing for her final. Praise God for he is full of grace and love with this mother and daughter. Again we join to-gather with prayer. I encouraged Grace to prepare her final. The went home. After a month Grace and her mom came to my home. The moment they came inside my home, Grace came and hugged me and thanked me so many times. And she offered me a cake and said ,"Aunt I passed my final." Oh! what an amazing God we have, I saw Grace filled with joy and happiness. The prayer gave two success, a job and a graduation. She is the witness for the Prayer Of Daniel. I can see how true the Word of God will operate in our life to help us. Grace called the Lord Jesus Christ for help, he healed her hopelessness and gave her double blessings. The fear of the Lord is the beginning of the future. Let us trust Him and he will bring success after success in every one of you. Please read the prayer.

"God Almighty, Son of God Jesus Christ and the Holy spirit, I am offering my self into Thy Holy presence. Pure out your wisdom and knowledge to do my daily work, and school. You helped Daniel and help me. With you grace and mercy strengthen me, lead me and guide me. In your precious Name I ask you. Amen."

Recalling Pastor Charlie's time spent at McKownville UMC

Pastor Charlie, Euni and their family are moving on from McKownville UMC at the end of June. Let's spend a little time remembering some of the principal ways Charlie and his family have influenced us at McKownville UMC during their time with us. Pastor Charlie (Cheol-Hee) Yang and his family; wife Euni, son Dasol, and daughter Grace joined us in July 2014.

Charlie preached and taught us about his WELLS model. This led our church to understand that **Worship, Evangelism, Learning, Loving, and Sharing** are fundamental to being dedicated disciples of Christ. Charlie doesn't just teach the WELLS Model, he practices the Wells Model as seen by everything he has done for our church.

When Pastor Charlie arrived at our church one of his first goals was to start a new style of worship. While working with many people, he was able to make this happen and today we have a successful Praise service. However, to make the new service work, a new sound system was needed to replace our old, worn out system. Again, through his leadership and persistence, a new sound and video system was researched and selected, and a fund raiser was successfully organized to raise enough funds for our now new audio-sound system. By making the new Praise service a reality, MUMC now provides two distinct and different worship experiences.

One of Charlie's strengths is that of preaching. His sermons provoke thought, reflection and stir the Holy Spirit in us!

Charlie knew that home/small groups were central to developing healthy relationships in the church. With his guidance and encouragement a few small groups were started and are still active today.

Charlie also introduced the concept of a mosaic church to us so that we may better understand what it means to be a more multi-cultural church.

We learned that Charlie is a strong believer in the power of prayer. During his time with us he witnessed to us how important prayer is and how it has influenced his and Euni's spiritual life. This led MUMC to strengthen our prayer ministry and as a result, people in the church set up prayer boxes both in the church and the community. In addition, a small group has taken on the responsibility of praying for those who submit prayer requests.

During Charlie's time with us he introduced the phrase "Spirit Filled, Mission Driven" to describe who we are as a church. Charlie has also been a spiritual care giver for those in time of need. He routinely makes out of church visits to those who need spiritual support and prayer.

Part of Charlie's call was to grow our church. He was able to identify and send eight church members to attend a weekend conference at Grace Church in Florida with the goal of using this group and the ideas from this conference to grow the church. This group returned from this experience transformed by what they learned, formed a Resource Team to continue to bring new ideas and practices to both our church and the Albany District.

Charlie always makes sure to greet everyone at Sunday morning worship. Welcoming everyone to church is extremely important to him and Euni. So we cannot really talk about Charlie without mentioning his wife Euni; she has been such a pleasure to have in our church. She readily welcomes all who step into the church, as welcoming is also extremely important to her. Euni always has a smile on her face and is so friendly. She fills in wherever needed, often setting up coffee hour and making sure there are ushers during Praise service. She has been a huge help for many Christmas dinners, assisting in the kitchen and helping with food preparation. She provided a Korean meal as the first fund raiser for the sound system.

It has been a pleasure to have Grace and Dasol around. Grace has spent the last two years at college in Boston and we wish her the best as she continues on this journey. Dasol has become active in the Praise Band, Bell choir and children's music program after graduating from college and is now moving on for more schooling in Colorado. We wish him the best in his continuing life journey.

The Yang family has had a positive impact in the spiritual life of McKownville UMC and will be missed. A big "Thank You" to Charlie and his family for what they have done for McKownville UMC! May God bless the Yang family as they each move on in their next phase of life.

STATUS OF OUR FINANCIAL CAMPAIGN

Open Hearts, Open Hands! Giving to advance God's work!

The formal portion of our annual financial campaign is complete. It began the week after Easter. We heard about the importance of McKownville Church to members and friends; we learned about our collective giving for the past fiscal year; we were challenged about what our money would say if it could talk. Each of us was asked to pray daily for success in the campaign and we were urged to consider thoughtfully our response to this appeal. Commitment Sunday April 29 we answered.

Commitment Sunday we received 28 pledges for \$125,796. Additional pledges over the next two weeks brought the mid-May results to 40 pledges totally \$154,328. This is, as we say, good news and not-so-good news. Good news: this campaign's pledge average of \$3860/year (\$75/week) is up significantly from last year's \$2970/year (\$58/week). The not-so-good news: just 40 pledges this year, significantly fewer than last year's 64 that pledged \$190,284. Good news: many persons who pledged last year make a commitment again this year. Not-so-good news: no first-time pledgers and \$36,000 short of last year's total.

Thank you to each person or family that pledged financial support for next year. We appreciate your continued support and confidence in our future. If you have not yet indicated support for the coming fiscal year 7/1/18 through 6/30/19, there is still a chance! Put your pledge in an envelope and place it in the offering plate, or mail it to McKownville U M C, c/o Financial Secretary, 1565 Western Avenue, Albany NY 12203. And, while your pledge of financial support is important, don't forget the other ways we are called: Pray often, worship Sunday mornings, serve others where you see an unfilled need, and live a life that reveals the living Christ.
