## **Brooks Chicken BBQ**

A BIG "thank you" to each person who helped in planning, preparing, serving, and cleaning up for the Brooks Chicken BBQ of May 4! At least 50 people helped, putting in an estimated 280 hours of labor, we sold out of our 1,100 chickens, and realized a profit of \$5,788.

**Take a week off, then start to get ready for October 5!**

## **PRAYER CHAIN MESSAGE**

Did you know that McKownville Methodist Church has a "Prayer Chain" available for anyone or anything that is in need of prayer. It was started many years ago by a ladies' organization called Faith Alive. We ask that everyone first call the church office at: 518-456-1148 who then calls Connie Stott as the first in line to be contacted when a prayer is needed. She then calls Marion Leizer and on it goes. There are about ten of us still on the list, but it is time that we opened the "Chain" up to anyone who would like to join us in praying. If you would like to join us, please call the church office at 456-1148 or Marion Leizer at 456-0994 and we will add your name to our list.

## **SUMMER WORSHIP SCHEDULE**

This Sunday begins our summer worship schedule. Please see page 12 for the complete listing of services.

## **ANNUAL CROP WALK**

In spite of the rain, the Annual CROP Walk was a success! Roughly over 300 people participated. Frank D'Ambrosio was just one of the man who participated and he raised \$1,000 in contributions. A big thank you for everyone who participated in this event.

# Sole Sourcing

Are you familiar with the term, sole sourcing? Some of you may have, while others may not. In the business world, sole sourcing is basically the case where there's "only one place to get it." For example, if you need spare parts for an appliance, and the unit is either an older model or not a common name brand, you may find it difficult to get the parts you need. The manufacturer may have relied on a sole source for spare parts. If you're fortunate, there may be a company that still supports the model you have. When dealing with situations where there is only a sole source, if they don't have it, it's just not available!

Large companies often strategize to avoid relying on a sole source. Customers will frequently audit suppliers to be sure that if one supplier can no longer deliver, there are others that can. We live in a world today with so many interdependencies, that we can easily see how relying on a single supplier can jeopardize an entire chain of supply. As a result, there's a constant search for options, substituting one product for another, and creating contingency plans to prepare for the worst case where a sole supplier can no longer deliver.

Fortunately, in our spiritual lives, we never have to consider these things. Much different than the business world, we have a Single Source, a Sole Supplier, that can deliver to us exactly what we need, when we need it and we never have to give thought to the Supplier no longer being in business! There's only One Supplier for all our spiritual needs, and His name is Jesus. There is never a need to look for alternatives, or doubt that He may not be listening to our heartfelt prayers. Jesus is the One, the only One we can trust to deliver 100% of the time. With Jesus there is never a shortage or stock out of supply. He knows what we need before we ever ask.

The business world can often be hectic and chaotic, and often the cause of disruptions and unexpected shortages and outages. We expect these types of interruptions in the business world, but at the same time, we can fully expect the opposite from our Lord. Jesus provides us with an endless supply of love and hope. He is never "not reachable," or too busy to listen to our prayers.

As our world around us continues to keep us guessing as we turn each corner, remember that Jesus takes away all guesswork and takes the ride with us to comfort us and reassure us that He is with us through our journeys.

When we're looking to refill our spiritual tanks, we need to look only to One Source. Jesus is our Sole Supplier, Jesus is our Soul Supplier!

Have a wonder and blessed start to the summer months,

Dom Perfetti

# Healing Ministry

WELCOME, everyone to our Ministry of Healing.

We just celebrated Mother's Day; and, I hope every family had a wonderful celebration. This month we will be celebrating Father's Day. I want to introduce a husband and father to you. His name was Joseph, the carpenter. He was waiting for his wedding and he had so many dreams about the bride and his future. Suddenly his wedding plans were changed because his bride, Mary, was conceived by the Holy Spirit. Joseph may have been shocked and upset, for the Father's Day celebration Joseph was going to teach. What is the father's role in a family? In the New Testament it says very little about Joseph. But he and his life's experiences are teachings to the mordant father's also. In the gospel, Matthew 1:18-25, it says, "He was a righteous man and unwilling to expose Mary to the public. She was unmarried and pregnant after she became engaged. If he exposed Mary to the public, she would be severely punished by stoning and death."

He planned to dismiss her quietly. Joseph was showing his humanity, compassion, and help for Mary to not be punished. Joseph was also very faithful man. God had a plan for Joseph and he sent his angel to reveal his plan to him. The angel said that Mary conceived the Holy Child by the Holy Spirit. The angel said that she will deliver a son and to give him the name of Jesus. Immediately Joseph accepted the plan of God and to marry Mary.

We know how Joseph and Mary went to Bethlehem and had tough time to find a place for the birth of Jesus. They found a manger, which is not a home, but Joseph supported his wife to have the delivery of the Son Of God. He never become angry, or upset or asked why I it had to be like this? But his willingness was to serve God's plan and his family. Again Matthew 2:13-14 the scripture says that an angel of God appeared to Joseph in his dream. The angel said to him, "Get up, take the child and his mother to Egypt, and remain there until I tell you." This was a trial of his faith and comfortable life. He needed to travel from Bethlehem to Egypt. They had to travel for hundreds of miles by donkey. Only Mary and the child could ride on the donkey; but, Joseph walked along side with them. Even now Joseph could say to God, "I can't do this anymore." But he was a righteous man, and his willingness and sacrificing were amazing. He wanted to save the savior. He travelled to Egypt and lived in a new country. Joseph kept his faith and family and served patiently. Again the angel of God appeared in his dream after couple of years and said to Joseph, "Get up take the child and his mother and go to the land of Israel for those who were seeking the child's life are dead." In Genesis 46, the scripture says that the other Joseph and his families went to Egypt brought slavery. God delivered them. The carpenter, Joseph, went with his family to protect the savior for us.

# Healing Ministry

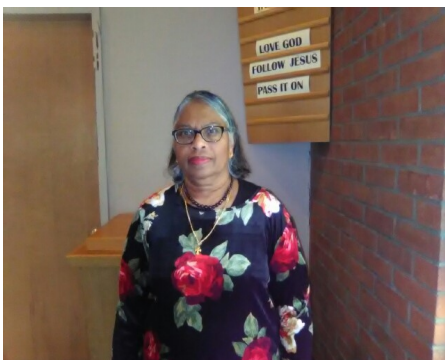

(Continued from previous page)

Joseph never said, "why not I and my family go to Egypt. I don't like the long travel in the desert and wilderness. We are settled here comfortably." But Joseph accepted the plan of God with his humbleness. Again he travelled and came to the district of Galilee. There he made his home in Nazareth. Joseph is teaching today's fathers the true of faith in God. To love the family, willing to sacrifice their comforts and humbly serve the family with compassion and acceptance. Joseph's service offered help for both Mary and the Savior for us. The poor carpenter and had patience to bring the plan of God for forgiveness of our sins. Joseph may have taught Jesus his skills and his faith. Joseph was supported by his wife, Mary, the same way we can see at the cross. Jesus never left Mary alone. Jesus also showed how to keep love and family unity. The title "father" is unique.

Let us pray, "Lord, Jesus Christ, bless every father, and fill every family with love, unity, and understanding. Have the willingness to support each other, bind them by your love, and all the blessing in this Father's Day. We ask this in your name. Amen.

His willingness to support each other and bind them by your love and all the blessing on this Father's Day. We are asking this in your name. Amen.

Olive Ezekiel  
Minister for Healing

## The 40 Days of Lent Collection Conclusion

During Lent, the congregation was given the opportunity to sacrifice a little different this year. Everyone was asked as they reflected on the season to give a food item from their pantry for the 40 days of Lent. Because of those sacrifices the Guilderland Food Pantry received 339 pounds of food or 319 items of food. Once again, the congregation was very generous and people in our community will have food.

**HELP US "DRIVE OUT HUNGER!"**

May 2019

Dear Friends,

On behalf of **Cornerstone Campus Ministry**, I want to thank you for your support during the 2018-2019 academic year. It was a time filled with fun, friendship, lots of food and faith! We gathered for vibrant worship each Sunday evening, we gathered for Food & Faith provided by many of you every Tuesday, we hosted Bible Studies and our 'Java and Justice' program equipping students with knowledge and information for various aspects of their lives, we ventured out into the community for a local service project at least once a month and we traveled with students to Puerto Rico for our annual mission trip. Friendships were formed and without a doubt, our students were encouraged on their faith journey. It was the first year in our new location and we were determined to make the best of it! It worked!

Two of our students will graduate on Sunday along with one grad student on Thursday and one doctoral candidate on Wednesday. I hope you'll join me in praying for them as they begin this new chapter of their lives.

We certainly could not have done it without the support of our Congregational Partners. Every time you make a financial contribution, or prepare a meal, or help with a program or buy a pan of brownies, you help our students explore and more fully live out their faith.

On a personal note, I want to offer my own thanks for all you did to support me and my husband through his journey with cancer. He entered the hospital on August 25, 2018 during Opening Weekend and spent most of the fall semester receiving chemo treatments and most of the spring semester going through a stem cell transplant. We certainly could not have done it without the help of our Campus Ministry Board who stepped up to cover the ministry during the times I needed to be with Curt and during the month we were in Rochester. I want to give a special shout-out to our student leaders who went above and beyond the call of duty and made sure we never cancelled an event or program during my absence. We just had the monthly check in with the oncologist/hematologist and are delighted to report that the treatment and the prayers have worked. He is well on his way to full recovery. We anticipate that all the post stem-cell transplant restrictions will be lifted at his next appointment on June 12. (So keep the prayers coming since it will be a full year before the recovery is totally complete!!!)

As a token of our appreciation we'd like to share our "Year in Review Video" with you. You can view it via YouTube (<https://www.youtube.com/watch?v=dXuETVKxBac>) We hope you'll watch it and then pass it along to groups or individuals who have been most supportive of our work or those who might be interested in learning more about us.

We're looking forward to working with you in the coming year. We'll be in touch as the plans begin to unfold.

In Christ,

*Sandy Damhof*
