## PRAYER CHAIN MESSAGE

Did you know that McKownville Methodist Church has a "Prayer Chain" available for anyone or anything that is in need of prayer. It was started many years ago by a ladies' organization called Faith Alive. We ask that everyone first call the church office at: 518-456-1148 who then calls Connie Stott as the first in line to be contacted when a prayer is needed. She then calls Marion Leizer and on it goes. There are about ten of us still on the list, but it is time that we opened the "Chain" up to anyone who would like to join us in praying. If you would like to join us, please call the church office at 456-1148 or Marion Leizer at (518) 456-0994 and we will add your name to our list.

## SUMMIT PHOTOS

Please continue to submit PHOTOS and descriptions of small groups, ministries, teams, etc. for a new and updated church guidebook and the new communication board!

# HOME FIELD ADVANTAGE

Whether you're a sports fan or not, you've probably heard, and maybe even used the term, "home field advantage." If you haven't heard the phrase in a while, you'll probably hear it around this time of year. Baseball playoffs are in full swing (*no pun intended*), and football teams are starting to rack and stack in the standings, looking ahead to the playoffs and the hopes of a *home field advantage*.

What makes being on your home field an advantage?? There's plenty of research on this. Some attribute it to a psychological advantage, and others think the scales tip more toward the physical benefit of knowing the playing field, the fans, the climate, and in general, a comfort zone of the familiarity around you. Let's face it, strange places can be stressful and intimidating. When we step out of our comfort zones, we don't know what to expect.

Unfamiliar surroundings can distract us from the "game" and cause us to focus our attention on the unknown.

You don't have to be an athlete to know the feeling of a home field advantage. There's plenty of other circumstances in life that create the same thoughts and feelings. For example, what about adapting to a new job?? A new school? New neighbors? International business trips? Starting a new career?? How do we stretch our comfort zones and remain steady in a world that constantly moves us from the known to the unknown?

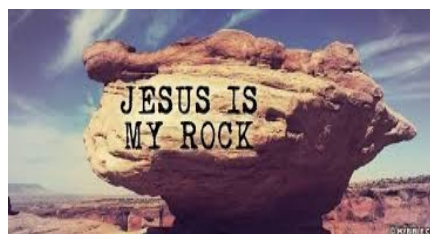

Change can come with many degrees of anxiety and uncertainty; and we all like to feel the comfort of our "home fields." As Christians, we can expand our comfort zones and create our *home field advantage* no matter where we are. Jesus promises us, as He did with His disciples in the Bible, to go out to lands unknown in His name. We can do the same. Wherever we are, and wherever we go, we can feel the peace, love and comfort of knowing that Jesus is there with us, always and everywhere.

It's natural to worry and feel uncomfortable when we step out of our day to day environment. It's never easy when we're bumped outside of our comfort zones; but to stay as steady as a rock, we simply need to lean on the Rock. Jesus is our Rock, never changing, and always present. His love creates a comfort zone for us, matter where we are.

When it's time to step out of our comfortable routines, and our human nature triggers stress and anxiety, let Jesus take over and calm the waters. With Him in our lives, we'll always have the benefit of a ***home field advantage***.

# Healing Ministry

Welcome every one to our Ministry of Healing. Let us welcome the month of November, 2019. We are going to celebrate Veteran's Day and Thanksgiving Day this month. We have to offer our thanks for Thanksgiving Day and also for the men and woman who are serving for our Nation's safety as well for us. Without war there is no victory. One of the war was brought victory by the silent action. The book of Joshua in the Bible, Chapters 5 and 6, talks about the silent war near the Jerico. The Israelites were camped and looked at Jerico. " Now

Jerico was shut up inside and outside because of the Israelites; no one came out and no one went in." (Joshua 6:1)

For the Israelites had no hope to enter or take victory over Jerico. There was a wall around the city blocking the victory. During their fear, hunger, hopeless, and being tired God never kept silent. Joshua was the commander and leader of the Israelites. "Once when Joshua was by Jerico, he looked up and saw a man standing before him with a drawn sword in his hand. (Joshua 5:13). He replied to Joshua, "Commander of the army of the Lord have come now." (Joshua 5:14 )

As per the above scripture maybe not only the army of the Lord came; but, the heavenly troops surrounded the Israelites to help them. If we further read the scriptures, the Lord gave guidance for the silent war. They walked around the Jerico Fort seven times per a day for seven days. On the seventh day, after they completed the seventh walk, they blew the trumpets. The power of God came down and destroyed the wall of Jerico and the Israelites took the victory over Jerico.

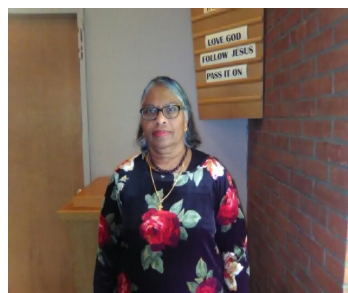

"we must obey God rather than any human authority." (Act 5:29). A great victory healed the fear over Jerico by the power of the Lord. The power of God almighty healed the war. On our upcoming Thanksgiving Day, let us remember those who gave their lives for this nation. Offering our thanks for our lives with our families in this Nation.

Let us pray:

God almighty we are offering our thanks to you and glorify your Name. Thank you for all your blessings for us and for our nation. Bless all the veterans and bless all the families around the nation. Help us to follow your commandments and walk with you. In the name of the Lord Jesus Christ we are praying. Amen

Olive Ezekiel  
Minister for Healing

## *Wounded Warrior Project*

The Wounded Warrior Project focuses on veterans and service members who incurred a physical or mental injury, illness, or wound while serving in the military on or after September 11, 2001.

Every warrior has a mission. We know that the transition to civilian life is a journey. And for every warrior, family member, and care giver, that journey looks different.

We are here for their first steps, and each step that follows. Because we believe that every warrior should have a positive future to look forward to. There's always another goal to achieve, another mission to discover. We are their partner in that mission.

We have a display is in the back of the sanctuary. For more information about funding for this project, please contact Olive Ezekiel at: [oliezk@aol.com](mailto:oliezk@aol.com). or speak with her personally after Sunday services.

**THANK YOU FOR YOUR SUPPORT!**

## *Meals for the Homeless at the Emergency Overflow Shelter*

We are restarting an outreach opportunity to provide a simple meal for people who have no other shelter options in Albany County from November through April, on the second and fourth Mondays of each month, starting November 11, 2019.

The Capital Area Council of Churches operates an Emergency overflow shelter at the First Lutheran Church on Western Avenue, Albany, where men, who are turned away from other shelters because they are drug or alcohol impaired and thus have no other shelter options, are provided with simple hospitality including a bed and dinner daily. Although this is the only shelter in Albany that takes in guests who are impaired, other men in the community who are getting back on their feet and looking for or holding down a job, are also spending the night in this shelter. These men are truly thankful for a warm bed on a cold winter night and a hearty meal provided by volunteers.

You can help these men in need by signing up to provide meals that will serve between 20-25 people. The meals need to be dropped off warm between 6:00 and 6:30 p.m. at the shelter or earlier that day, between 10:00 a.m. and 4:00 p.m. and the staff will reheat. You can sign up to make and deliver the food on your own or we can gather together in the church kitchen on Sunday nights to make the food to be dropped off the next day. A sign-up sheet with information about what to provide and where to deliver, together with disposable pans for your use will be provided in the back of the sanctuary.

“Whoever is generous to the poor lends to the Lord, and he will repay him for his deed.”  
Proverbs 19:17.

## OPERATION CHRISTMAS CHILD

Wrapped Christmas boxes will be available October 13th for you to take home and fill with gifts and prayers for children in need. Each box contains an information sheet about items to include, as well as instructions regarding the cost of shipping. Please remember to put a rubber band around the box when you return it.

If you want to help out, but are unable to fill a box yourself, you can drop off some items to contribute toward filling boxes in the laundry basket in the back of the sanctuary and the Youth Group will put together additional boxes. All boxes must be returned no later than November 17th. **Our goal is to provide 100 children with boxes of love, joy and the message of Christ.** We hope you can help us meet that goal.

*Boxes are due to be returned on Sunday, November 17th, to be blessed during worship.*

*Thank you! ~ The Guilderland Youth Group.*

## TEAM BUCKET CHALLENGE

It is peak hurricane season and flood buckets AKA cleaning kits and hygiene kits are needed. After a storm, you might ask how can I help or how can I be in service for those in need? One way is by helping to assemble needed kit supplies. There is a challenge starting in our church to see what team can make the most flood buckets and/or hygiene kits. As a church, the challenge is to make 50 buckets and 100 hygiene kits during the months of October to December. In January, we will have an assembly party and do a final count of how many kits were made. Lets see how many kits we can make. The winning team prize is still being determined. There will be lists of what items are needed on the table in the back of the sanctuary and link to the website is below. Some items have changed, so be sure to pick up the list for the latest information. The goal is, as a church, to create as many buckets as possible. If you do not want to fill a bucket yourself, individual items may be bought and will be collected in the Mission Collection area in the rear of the sanctuary. Every item counts.

Happy Fall Y'all~Sunday School is in full swing. We currently have 1 teacher for EACH grade level (although more would be GREAT). This would allow the current teachers to not worry when they are sick or have to go out of town for business/family emergencies.

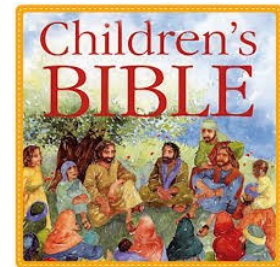

The Preschool room has had fun exploring what a Bible is, what the rules of the classroom as well as the 10 commandments and had explored through play and videos. They all LOVE those Veggie Tale classics.

The K-5 room has continued their study of Exodus and Moses! We had fun creating our edible "plague soup", got in by midnight in our dark houses after using red markers to cover the door to let God know whose people we were, and had fun separating the Red Sea. Halloween parties are always a hit! In November we will continue to explore Exodus and Moses as well as a lesson on being Thankful and learning OUR mission with the Operation Christmas Child boxes!

The Middle School and High School classes have begun their journeys together.

We anxiously await the Advent season...stay tuned for details!

If you would like more details about how you can volunteer your time and talents in the Sunday School please feel free to contact Kim Keane at [KimKeane04@gmail.com](mailto:KimKeane04@gmail.com)

## BUILDING COMMITTEE REPORT ON PARSONAGE PURCHASE PROPOSAL

As has been reported in previous newsletters, there has been an interest in the possibility of purchasing a parsonage for our minister. This was originally considered by the Trustees in June of 2018 and was reported to Leadership Council. As a result of the Trustees investigation we learned that in order for a parsonage purchase to be proposed there are many steps that needed to take place.

First, a Pastor Study Housing Team needed to be formed that could do the following: analyze the church and community, project potential membership with an average of attendance, write up the church's program of ministry and research the church's desire to move forward with a purchase. This report was sent to the District conference where it was approved for further steps. The committee then went to Leadership Council and reported that in order to move forward with the investigation into the need and practicality of a parsonage a Building team would need to be elected.

In June of 2019 the Building team for the McKownville United Methodist church was formed through a vote during a Church Conference. For the next 3 months this team used conference standards to look at actual numbers, investigated potential lending institutions, analyzed costs and compared housing allowances versus parsonage costs, practicality, necessity and compliance. At the September Leadership Council meeting the Building Committee presented their findings to Leadership Council. The general consensus of the Building Committee was that an owned parsonage was more economical, more stable and better suited to the needs of our minister our future ministers and our church.

As in any big decision, there are always pros and cons. The committee feels that the pros far outweigh the cons. So what's next? The Building committee has submitted their findings to the District Conference Board of Trustees for review. If the report is accepted, the building committee will be asking for a church conference to vote on accepting the proposal. If the proposal is accepted, the committee will begin actively searching for a property. Once found we would need to send all the information on the property back to the District Council Board of Trustees and again ask for a vote from a church conference. The Building Committee is always happy to answer any questions that you may have about their findings, the process and our recommendations.

If you have any questions please feel free to contact any of its members. Please pray for us as we work on this proposal.

Kelly Visker, Susan Burns, Paul Scoville, Noreen VanDoren, James Stott, Nancy Rhodes, and Diane Steffens.
