### A SPECIAL ANNOUNCEMENT

It is with great sadness that we have to notify you of the passing of two long-time church members...

\* **Julian Levine** had passed away on October 9, 2020. Julian was in HOSPICE Care and living near his son in Pennsylvania at the time of his passing.

\* **Flo Willey** had passed away on October 14, 2020 at St. Peter's Hospital following a brief illness.

### **OPERATION CHRISTMAS CHILD**

It's that time of year again! Wrapped Christmas boxes will be available beginning <u>September</u> **27th** for you to take home and fill with gifts and prayers for

children in need. These boxes will be available to pick up in the vestibule near the exit doors. Due to COVID-19, this year we are also offering to drop off empty boxes at your home and then pick them up once they are filled for your convenience and safety. Each box contains an information sheet about items to include, as well as instructions regarding the cost of shipping. *Please remember to put a rubber band around the box when you return it.* If you want to help out, but are unable to fill a box

yourself, you can drop off some items to contribute toward filling

boxes in the laundry basket in the vestibule where your temperature is taken, or contact the church office for pick-up, and someone will put together additional boxes with these donations. Additionally, for a donation of \$20 we will fill a box for you. All boxes must be returned no later than November 17th. Our goal is to provide 100 children with boxes of love, joy. and the message of Christ. **We hope you can help us meet that goal!** 

If you have any questions, please contact the church office at (518) 456-1148.

### **OUTREACH**

If you are interested in being involved with community outreach and have a knack for technology, we are looking for someone to manage our church's online presence on platforms apart from Facebook. If you enjoy social media and are comfortable using Twitter, Snapchat or Instagram we are seeking an individual to send out updates and maintain an online presence! Updates would include inspirational

quotes, upcoming events and announcements. Contact Angela Stott to get involved and we will share passwords for these accounts! You need not maintain all platforms if you wish. Reaching out from the safety of within!

### PRAYER CHAIN MESSAGE

Did you know that McKownville Methodist Church has a "Prayer Chain" available for anyone or anything that is in need of prayer. It was started many years ago by a ladies' organization called Faith Alive. We ask that everyone first call the church office at: 518-456-1148, who then calls Connie Stott as the first in line to be contacted when a prayer is

needed. She then calls Marion Leizer and on it goes. There are about ten of us still on the list, but it is time that we opened the "Chain" up to anyone who would like to join us in praying. If you would like to join us, please call the church office at: (518) 456-1148 or Marion Leizer at (518) 456-0994 and we will add your name to our list.

## *YOUTH 2020*

The Guilderland Youth Group is a group of Youth in grades 7-12 who meet for a safe, fun place to learn and get hands on involved in spreading the Good News! We meet weekly September – June, mostly on Sunday evenings at 7:00 pm (some exceptions for special events may happen on other days).

"In person" meetings will resume soon. Please contact Angela Stott to be signed up for virtual events and online meeting activities.

If you want to get involved or have questions about upcoming events, see Angela Stott (coordinator) for details.

Thank you to everyone who has donated so far for the Parsonage. We are continuing to work with the bank and contractors to secure a home for the Pastor and his family. Once the committee has pre approval for a mortgage and has all the details for improvements there will be a church conference called to ask for a vote. We hope that this information will be available soon. Meanwhile, if you are interested in donating towards this project, donations can be sent to the church. Please make sure and put "parsonage" in the memo line. There are also donation forms in the back of the sanctuary that can be filled out for both monetary and in-kind donations. Please keep the committee in your prayers as we move ahead with this project.

## GUILDERLAND FOOD PANTRY

The Guilderland Food Pantry is still open for business and needs donations. Please consider dropping off donations directly to the pantry at 4 Charles Blvd. or leave the food at the church on Sunday morning or during the week with Chris, whichever is more convenient for you. If you want to purchase food online, View their shopping list

on Amazon to order products that can be shipped directly to the pantry. https:// guilderlandfoodpantry.com/ OR https://www.amazon.com/hz/wishlist/ls/1I3KLRS3QMNOK? ref\_=wl\_share

The pantry also will supply families with food baskets for Thanksgiving and Christmas. The families are the recipients of the Angel Gifts that are collected each Christmas by our church. This holiday season will be no different.

This month they are in need of canned fruit, tomato sauce, and cereal. It needs to be new and not expired.

Any questions, talk to Dorothy Ellinwood or Darcianne Leizer or contact the pantry directly, 518-930-1001 or e-mail guildfoodpantry79@gmail.com

We may think, or perhaps want to believe, that life really should become easier as we learn and gain more experience in life. Perhaps we even develop a picture in our minds of being on *"easy street"* at some point in time; as the thought of continually facing the daily grind each day can, well let's face it, just be overwhelming and exhausting. *We want our lives to be easier, right?? I doubt that we look forward to a life that that's more difficult today than yesterday?* We're battling the virus, we're faced with the social injustices, and we all have our own personal challenges. Do we sometimes ask, *"Can't it be just a little easier??"* 

Tackling the difficulties, we face these days may in some ways be similar to how we strengthen ourselves physically. We all know that to get the outcome we want to achieve physically, we need to put in the time, and effort - and we all know for sure, *it's not easy*! The point of physical exercise is to become stronger and healthier, to know we are physically fit to accomplish what we set out to do. Every time we put ourselves through a rigorous workout, we literally "tear" muscle tissue. It's the stretching and tearing of the muscle that allows them to grow stronger. Yes, it's true, we need to put ourselves through voluntary strain and struggle, to become stronger and healthier for the future. If we were to *"take it easy,"* we would never increase our strength!

The same approach applies to our spiritual lives. Just as we tone our physical muscles, we also need to give plenty of attention and time to strengthen our spiritual muscles. Each prayer and each moment we spend with Our Lord adds one more fiber to our growing spiritual muscles. Like a rope, individual fibers can easily break, but the tightly wound rope of many fibers becomes so strong that it cannot be broken.

Jesus did not have an easy life, and ours may not be either. But isn't our true goal to become stronger in our Faith and closer to Our Lord? It's so appealing to look forward to an easy lifestyle, but it may not at all be what Jesus has planned for us. He brings us closer to Him through our challenges and wants us to exercise our Faith to become stronger in Him.

We know that life can be difficult at times, and we also know that we are 100% assured that Jesus is there with us. As we face our challenges, let's face them with the attitude of knowing every one of them is an opportunity to grow our strength in the Lord, always knowing that no matter what we're wrestling with, putting our Faith in Jesus and knowing that all we do is for Him may not be the easiest path, but will always lead us to the **better outcome**.

Enjoy the beautiful Fall season,

Dom Perfetti

In the name of the Lord Jesus Christ, welcome again everyone to our Healing Ministry. I thank you for reading my messages from the Lord, Jesus Christ, and for supporting us. The Gospel of Luke 4:40 says, "As the sun was setting, all those who were sick with various kinds of diseases brought them to him and he laid his hands on each of them and cured them. "Let us continue to read about what was happened in Damascus. Saul, the Paul, was brought to Damascus by his fellow travelers.

Saul never knew a new chapter would begin in his life. We can remember what God almighty said to Isaiah 55:8-9, "For my thoughts are not your thoughts nor are your ways, says the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts. "Saul thought about to arrest the believers for persecution but as per the above Word of God it was changed. His name was also going to be changed to, Apostle to the Gentiles." In the future, he would carry the word of God to the world.

He is going to be transformed from the persecutor to the Apostle. There are similar calls given by the Lord, God Almighty, to Isaiah 1:1-10, Jeremiah 1:4-10, and Gidden Judge 6:12. We must allow the Lord's plan to come and be active in our lives. Let us read Acts 9:10-14. We are reading about another disciple in Damascus, named Ananias, who was a devoted man. While he was praying to the Lord, Jesus Christ said to him, "Get up and go to the street Straight."

The street Straight was Damascus Maximum, which was the main roman road in Damascus; and, it runs from east to west of the old city. And further, the Lord, Jesus Christ, said to him, "Go to the house of Judas, look for a man of Tarsus named Saul. And also the Lord told him at this moment that Saul was praying. He was seen in a vision of a man named, Ananias. Come in and lay hands on him so that he might regain his sight."

(Continued from the previous page.)

We can read in our 4 gospels how our Lord laid his hands on the sick and healed them and restored their health. Let us focus on Ananias's answer to our Lord, "I have heard much about this man, how much evil he has done to your saints in Jerusalem". Ananias sounds denial, and fear over Saul. Let us check ourselves and see if we are like Ananias with fear over our enemies. We can read in the Gospel of Luke 6:27-36, our Lord was teaching and guiding us on how we can treat and love our enemies. Saul, the Paul, was praying and confusing his sins; and, our Lord was showing his mercy over him in a vision that he is going to be healed and anointed for his ministry to the Gentles.

Are we listening to our Lord? Are we willing to love and pray for others who hate us? If our Lord loves Saul, the Paul, then we have to pray and bless our enemies. Through our thoughts and prayers, they will be healed and be blessed by our Lord, Jesus Christ. Amen.

Let me share one of my witness, right now. My husband, George Ezekiel, is in the ICU unit at Albany Medical Hospital. No matter what I and my husband go through, our Lord is the healer for us. And, I never stop witnessing our Lord as the healer. My husband is getting treatment with my prayers, our church families prayers, and so many Pastor's prayers. In the center of my life, the Lord is my helper. He will do the best for us.

Today our world needs healing and prayers from the pandemic and for all of those who work in the hospitals.

Let us pray to our Lord: "Lord Jesus Christ, come and guide us and make us feel your presence near us. Just like a little child, let us hold your hand, walk with you ,and talk with you. Let us trust that you will lead us into the green pastures in our lives. Even though we face so many problems, You are our shelter. Your love is our strength; and, your healing power will restore us. Just like the little child, we are looking at you, receiving your gentle smile to sooth our burdens and fears. In your sweet name we are praying, Amen, Amen, and Amen.

## **OUR 21ST ANNUAL PUMPKIN PATCH**

**The McKownville UMC Pumpkin Patch, now operating its 21<sup>st</sup> year**, has seen it's share of unusual circumstances. We have held this fundraiser through Frankenstorm, swept

snow off the pumpkins, had the pumpkin tent blow up in the air and then collapse in the midst of high winds! We have LOST the pumpkin resupply truck and had it arrive several days late with spoiled pumpkins. We have had a Little Red Hen come visit the patch and find a resting place in amongst the orange globes. We have had a HS Football team unload pumpkins passing them person to person like they were passing a football. And we have had

competitors try to buy us out. But we have also made friends within our community, had children come play in the pumpkin maze every year, and been a feature location for wedding photos, family photos and homecoming photos alike. Our patch and our mission has been featured on TV, inspired others into volunteer mission work, provided funds for scholarships sending volunteers all over the globe. One thing we do know for sure is that *PEOPLE LOVE PUMPKINS!* So even in the midst of a pandemic, as we struggle for ways to safely interact and do business in our communities, the sale of Pumpkins at our Annual Pumpkin Patch WILL CONTINUE!

We are taking precautions to keep both our volunteers and our customers safe and healthy. We look forward to sharing the colors of the season with our neighbors. And from seed to sale we are Changing the World – One Pumpkin at a Time!

Here is what you can expect this year:

Volunteers will need to sign up in advance and go through safety training prior to working at the patch. I have advice from Pumpkin Patch Fundraisers Inc and from NYS Department of Agriculture, as well as Albany County DOH regarding how to safely operate this year. I will have a written plan to have available should DOH question our procedures and I will keep that available in the office during the month while the patch is open.

The sale will operate its usual hours as of right now M-F 11a-7p; Saturdays 10a-7p and Sundays 12-6 through October 31<sup>st</sup> but \*hours may vary due to COVID-19 restrictions and the availability of volunteers.

I can work with customers who reach out for large pumpkin orders based upon availability of what they are asking for. Please get their contact info and email me to work out a price and delivery.

Prices are set by size not by weight and are determined by PPF. I cannot quote prices or sizes until they arrive.

We are getting one truck – no replenishment mid - month. So customers should come early in the month for the best selection. Pumpkins will not be any fresher for Halloween if they wait until later in the month.

<u>Spread the Word – THE PUMPKINS ARE COMING!</u> <u>And we are changing the world one pumpkin at a time!</u>

# <u>BROOKS CHICKEN BBQ</u> <u>A SUCCESS!!</u>

Our Brooks Chicken BBQ Saturday, October 3, was a resounding success! A huge "thank you" to each of the fifty helpers who made it possible. This was our first BBQ in times of Covid-19 virus. Our only service option was to deliver dinners to persons waiting in their vehicles. Your BBQ Team made two key decisions: (1) to offer only complete meals (no "chicken only" option); (2) to have Brooks prepare the entire meal. (As it turned out, Brooks ran out of baked potatoes late in the day and we offered "chicken only" after 3 pm.)

Our role in preparation was limited. No mixing of cole slaw with our secret recipe, no wrapping potatoes by our scouts, no packing slaw in cups, no wrapping dinner rolls in plastic bags. Brooks grilled chicken and potatoes, provided cole slaw, roll, cookie, and a bottle of water. Entre items were put into a clam-shell box in an assembly line in our social hall. Then "runners" took the boxes to the west vestibule where they were bagged and cookie and water added. Then bagged dinners were taken to waiting customers. It was planned for Brooks to do all the packaging, but the demand was so great the first hour that several church helpers also packaged.

This combined effort yielded \$4,816.47 for our general fund. We sold 935 dinners and 21 "chicken-only" Saturday. Sunday we sold an additional 23 items; by mid-week all were gone. Some sales statistics: 23% bought one dinner, 38% two dinners, 18% three dinners; largest single order was 11 dinners.

Your BBQ Team solicits thoughts about this BBQ just completed and suggestions for future events. If Brooks does all preparation, our profit is less but we have done less work. Having a single item (perhaps two items) eases money handling. The types of jobs has changed: most "preparation" tasks have disappeared but more "delivery" type of jobs are needed. Traffic control has become an important factor. Let your team know in the next few weeks.

Plans will be firmed up with Brooks early next year for the May 1, 2021 sale.

# Emergency Overflow Homeless Shelter Dinners

I hope you are staying safe and virus free. I know many people are cooking a lot more than they did in the past, so maybe you would like to sign up to make a full meal for 15 homeless individuals for the Capital District Area Council of Churches' Homeless Shelter, or maybe to make just a soup, stew or a dessert that would feed 15 that you would like to donate towards a full meal prepared by others?

This shelter is operated in the belief that a ministry of hospitality and sanctuary is a mission of the Christian Church that scripture compels us to welcome and minister to the most vulnerable and needy in our society. This is illustrated by many bible stories including the Good Samaritan. Due to COVID restrictions, this shelter can only house 15 men this year and the McKownville United Methodist Church has committed to providing meals the second and fourth Mondays of November through April. The Shelter is located at the **First Lutheran Church at** <u>626 State Street</u>, <u>Albany</u>. To get there, turn onto Cortland Place from Western Avenue and State Street is your first left. The church is on the left and the first entrance is for the First Lutheran Church and the second entrance is for the Shelter.

Meals should be dropped off between 6-6:30 p.m. at the Shelter entrance by placing the dinner on the small table at the entrance. Move at least 6 feet from the door and call the shelter at 518-426-1227 to tell them you have arrived. Shelter staff will come up and collect your meal. If you are unable to bring your dinner in the evening, please call Julie (the First Lutheran Church office manager) a few days in advance at 518-463-1326 to schedule a drop-off time when the church is open. Please remember to wear a mask.

Meals should serve 15 people and **should not include pork**. Meals should include an entrée, vegetables and dessert. Salad, bread and butter, and beverage mixes are optional. Salads should serve only 7, as they do not keep well. No need to provide salad dressing. Beverages are a nice addition and they would prefer a drink mix — lemonade, fruit punch, etc. for storage purposes. Please don't send carbonated drinks.

Meals must be delivered in containers you do not expect to have returned. The shelter suggests stews, casseroles, meatloaf, pasta, meat and gravy, roasted chicken, shepherd's pie, and chilis. Any meal you are able to prepare is welcome as this may be the only meal the guests will have that day. Thank you for taking on this very important ministry.

Please contact Noreen VanDoren at (518) 588-3009 or <u>Norvandoren@yahoo.com</u> to sign up to provide a meal, or to contribute to a meal for the homeless on the following dates: November 9 & 23, December 14 & 28, January 11 & 25, February 8 & 22, March 8 & 22, April 12 & 26.

God Bless you!
