MAKING ROOM

The seasons are changing, and it's time to start thinking about raking leaves instead of mowing the lawn, and it won't be long before we start to think about getting the snow blowers ready for another season. As we move things around in our homes, we may hear questions and comments like: *Is there room for this in the garage?? How about the basement?? No, not there, that closet is full!* We seem to "fill up the garage" regardless of how many times we clean it out. Closets get full, basements get full. Every now and then we need to separate the good from the clutter, and "clean house."

The same accumulation of clutter can happen in all dimensions of our lives. We can "fill up the garage" physically with things we've collected over the years, and we can also fill our days with "clutter" and feel at the end of the day that we've been very busy, but not necessarily having a sense of accomplishment. *How exactly did I spend my time today?? Where did the hours go?* They seem like simple questions that should have relatively simple answers, but we all know that's not true. Many times the days fly by and it's difficult to account for what we actually did!

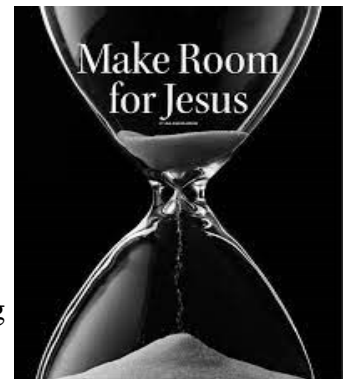

Yes, we can easily have the "busyness" of our lives take over our time and dictate our priorities. And this can happen in our spiritual lives as well. We can become so consumed in daily tasks, that we don't "make room" for our Lord. Our daily routines and interruptions can literally "steal" our time and keep us from developing a deeper relationship with Jesus. Similar to our garages and basements, our lives get "filled up" and there's simply no room or time for anything else!

If we're feeling like we've come to a plateau or a stagnant point with our spiritual growth, it just may be because we've filled our day with so many other activities, that we no longer have room for Jesus. And we also know that once we "straighten things up" in our homes and "toss out the things that we really don't need," that there is always plenty of room for what's important with room to spare. And so it is with our spiritual lives as well. If we dedicate a certain time each day to the Lord, it can become the spark that we need to ignite a new chapter of growth and a deeper personal relationship with Jesus.

Finding room in a crowded and cluttered garage is never easy, but *making* room by removing excess clutter and organizing what's important always yields good results. As the seasons are now making a change to the beautiful Fall, we can also make a change and decide to make room for Jesus on a daily basis. We know that He's willing and eager to come into our lives more and more each day. Making time for Him in our busy schedules will provide us with the clarity and peace to move ahead each day knowing that Jesus is at our side in everything we do.

If we want more of Jesus in our lives, we simply need to ***make room for Him!***

*Have a wonderful and blessed Fall season,
Dom Perfetti*

Ministry of Healing

John the Apostle
85 AD — 90 AD
2 John 1:13; 2 John 1:4; 2 John 1:3

Welcome everyone to our Ministry of Healing. Praise God for his mercy and grace keeping us all safe. Every new day is a gift from God. Our health is also a gift from God, the Healer. But there people sick and searching for sources for healing. Today, there are so many products available but are they true or false? We must be careful before purchasing them. Healing is free and available from the Lord, Jesus Christ. John the apostle, sent mail to a family member. He wrote this letter maybe between 85 AD-90 AD. He wrote many unique letters and were filled with the love of God. He is an apostle of love. Love means putting others first and not being selfish. John is an eye witness to our Lord. He was a beloved disciple for him. Apostle John's 2nd letter was sent to a chosen lady and her children who lived in Ephesus. Please read this small letter in (2 John 1-13). It contains a very important message for her. This woman and her family were involved in one of the churches that John the apostle was overseeing. They had developed a strong friendship with him.

John the apostle was in great joy to find some of her children walking in the truth just as the Father Commanded.(2John 1:4). The children are our future communities. Parents have the responsibility to teach their children about the faith in God and in the truth. John also warned this chosen lady avoid welcoming the false teachers. In John's day, many false teachers were teaching words; but, they twisted them into different meanings. It did not connect with God's truth or His love. Our world still has false teachings about Jesus that are not in the bible.

John the apostle talked about the love of God and advised us to love one another, "We will be with us in truth and love" (2 John 1:3). The love of Christ brought healing for us. He gave us his greatest love by offering himself on the cross to bring forgiveness for our sins. John was the witness at the cross when the Lord was suffering.

How can we show our love to others? By helping, serving, giving, and sharing. Let us focus that our Lord showed his love when he was on the cross. The last moments on the cross, He had forgiven a thief and he allowed him to be in paradise with him. An amazing love of Christ will forgive us and heal us if we surrender all to him. He never leave us or forsake us. He is calling us to let us go and tell of all our struggles, sickness and problems. He is a good listener, care giver, and healer. If you read the conversation of Jesus Christ and his disciples in all four gospels, we can understand how much he loved them.

Let us put our true faith and love in Him and bow our heads and pray: "Loving Lord, Jesus Christ, we come to you at the cross and we are surrendering our sins and all our struggles and sickness at your nailed feet. Have mercy on us and forgive us. Cleanse us, heal us, strengthen us, and fill us with your love. Send us to go into the world to share your love with our true faith in all of our life. In your precious name we are praying. Amen. Amen. Amen."

PARSONAGE UPDATE...

The house located at 12 Ableman Avenue, Albany was purchased on August 24, 2021 for \$195,000. In addition the church paid \$1,165.00 for Title Insurance, and \$357.00 in filing fees, for a total cost of \$196,522. As you may recall, the search for a parsonage began in March of 2019 and at that time, the search Committee was approved to find a house at a cost of up to \$300,000, based on an analysis of the real estate market at that time. Once 12 Ableman was identified as a possible purchase, the Committee spoke with two different construction contractors and we were given a quote of \$63,000 to construct an addition on the property to add a handicap accessible bathroom and laundry facilities on the first floor, in accordance with conference standards. Based on this quote, on April 25, 2021, a special church conference was held and a motion "To approve the purchase and renovation of 12 Ableman Avenue, Albany, NY as a parsonage at a cost of up to \$300,000" was passed.

In support of that motion, the Parsonage Committee had stated that the Church would obtain a mortgage/loan for up to \$200,000 and the remainder of the funds needed would be obtained through donations/fundraisers. That commitment remains unchanged.

Following that vote, the contractors we had previously been in contact with advised that construction prices had greatly increased and they now had other projects on their schedules, so could no longer work for us. After much research and effort, the Trustees finally found a construction firm who could fit our project into their fall 2021 schedule. Because of the impacts of COVID-19 on the construction industry, the quote has increased significantly

The Trustees have made every effort to limit the cost of the purchase and renovations to under \$300,000, and in fact, although the prices of houses in the area have greatly increased, we were able to purchase the property at a cost that is approximately \$40,000 less than the market rate. Unfortunately, due to COVID, and the increased cost of materials, several of the modifications we had planned for the house may have to wait until after the main construction, making the parsonage meet conference standards, are complete. The trustees are not in favor of waiting as it would be more cost effective and less intrusive on Pastor Jeff and his family if we could complete these modifications during the construction this fall. This would allow us to complete all the renovations and modifications needed to provide the Pastor and his family not only with a home that meets conference standards, but also one that is welcoming and timeless for years to come.

The Trustees have received a pledge of \$10,000 towards these increased costs and we are hopeful that another \$17,000 will be donated from the congregation, so that we can perform all of the renovations needed prior to the Pastor and his family moving into the Parsonage later this year. We are also in need of a washer and dryer in working condition, and would accept a used set, if anyone is thinking about upgrading their current appliances before the end of the year. Please reach out to any of the Trustees if you are able or willing to contribute (again or for the first time) to the parsonage renovation project.

FINANCES

The Finance Team is charged with presenting a budget to Leadership Council in November each year. An important part of preparing a responsible budget is ascertaining how much financial support will be given by members and friends of the congregation. To learn this, we conduct an annual Financial Campaign asking how much they are likely to give to our church next year. For calendar 2022, the campaign begins with a letter.

Each member and contributing friend will receive a letter late September asking for two things: to consider the sum of all the blessings you are receiving from God and to respond to God's generosity by pledging support for next year. Enclosed with the letter is a pledge card and a return envelope. After prayerful consideration, please indicate on the pledge card the amount per week (or month or year) that you are planning to give next year. Place the pledge card in the return envelope (it will go directly to the Financial Secretary) and either mail it to the church office or bring it with you to church on Commitment Sunday October 24. During worship on Commitment Sunday our collective pledges will be dedicated.

Not all members pledge. This year, so far, 84 persons have given toward our church budget. Of these, 61 individuals or families made a pledge; the other 23 persons chose not to pledge but still are donating. We thank all who have given. Pledging helps remove some uncertainty of planning.

Some financial data from 2021 may be of interest. Giving so far this year lags pledging. Of the 61 persons who pledged, 33 are behind by a collective \$15,737. Nine persons are current with their pledge. And 19 are ahead of pledge by a collective \$5,709.

Diligence in giving is also lagging. Year to date giving through the end of August (2/3 of the year), has been incomplete. Of those who made a pledge for 2021, 6 have paid nothing, 10 have paid from something up to half, 21 have paid half to three-quarters, 18 have paid in full for the year, and 6 have paid more than pledged for the year. A great "thank you" to those who are current or ahead of pledge. If you are behind in your giving, please become current.

We have two major fund-raising activities during the year – our Brooks Chicken BBQ. Our May BBQ earned us \$3707. Our October BBQ is imminent. Our goal is to realize \$4000 clear on that event. If you have not yet signed up, please call or email Frank D'Ambrosio promptly. Each helper is welcome and needed. There are a variety of tasks. Frank: 518-489-4818.

SPECIAL SUNDAYS OF THE UNITED METHODIST CHURCH

The United Methodist Church celebrates, during the church year, special Sundays that illustrate the nature and calling of the Church. These special Sundays, approved by General Conference, are the only Sundays of church-wide emphasis. The special Sundays are placed on the calendar in the context of the Christian year, so as to make clear the calling of the Church as the people of God. Several of these give persons an opportunity to contribute to special programs.

Dates of Church-wide Offerings (indicated by asterisks) are set by General Conference. These offerings do deeds expressive of our Christian commitment. Annual Conferences may also determine other Special Sundays with or without offerings.

Human Relations Day*	1/17	Sunday before Martin Luther King Jr federal holiday
One Great Hour of Sharing*	3/14	Fourth Sunday in Lent
Native American Awareness Sunday*	4/18	Third Sunday of Easter Season
Heritage Sunday	4/23	April 23 or the following Sunday
Peace with Justice Sunday*	5/23	First Sunday after Pentecost
Christian Education Sunday		Date set by each Annual Conference
Golden Cross Sunday – recognition of retired pastors		Date set by each Annual Conference
Rural Life Sunday		Date set by each Annual Conference
World Communion Sunday*	10/3	First Sunday in October
Laity Sunday	10/17	Third Sunday in October
United Methodist Student Day*	11/28	Last Sunday in November

(These special Sundays do not take precedence over particular days in the Christian year.)

To make a contribution to any of these causes, write a check to “McKownville U M C” and on the memo line write the name of the cause you wish to support. It is helpful to the tellers if you write separate checks for a special cause and for your regular church offering. Place your special offering in the collection plate. Your designation will be noted by the Financial Secretary on your annual statement of giving. For some of these special offerings there may be designated envelopes on a rack in the back of the sanctuary. Ask an usher. For details, check the website of the United Methodist Church, special Sundays.

In addition to these denominational special offerings, McKownville Church has a special connection with Mutambara Mission Hospital in Zimbabwe. Dr. Emmanuel Mefor directs the hospital; his wife Florence Mefor is a nurse. The hospital has an eye clinic and a residential unit for expecting mothers so they learn skills needed to care for their infant. There is an associated school K-12 nearby. July 2017 two members of our church were part of a team to Mutambara to help with expecting mothers and to paint part of the school. To support the hospital, write “Advance #3022286” on the memo line; to support Dr. Mefor, write “UMC Missionaries #13990Z” on the memo line; to support Mrs. Mefor, write “UMC Missionaries #13991Z”.

These special offerings are above and beyond your regular giving. Your regular giving supports our pastor, staff, educational program, senior ministries, outreach, and physical plant.

Rev. Charles Warner and the 1958 - 1960 *McKownville Church Buildings*

Rev. Charles Jacob Warner was pastor of McKownville Methodist Church from mid-1956 through the 1964/1965 appointment year. Charles & Rose's children were Cynthia Jean, Nancy Lynn (pictured), and later son Mark Charles. Mark (seen on the left) donated in 2021 to McKownville UMC some of his father's slides.

When Rev. Warner came to McKownville, even with use of a refurbished apartment house (former chicken coop) on newly purchased land, there were double shifts for both Sunday worship services and Sunday school – and still overcrowding. In January 1958 the 23-acre plot of land was fully paid off, permitting construction on it. Contracts were signed in July 1959 for a “new sanctuary and classroom addition” (with offices) and on October 30, 1960 the new complex was dedicated.

Below are Warner pictures of the 1898 church, the SS annex showing behind the new sanctuary framework (with two Warner girls to the right), & work on the new sanctuary and education wing.

Operation Christmas Child

It's that time of year again! Wrapped Christmas boxes will be available beginning **October 3** in the back of the sanctuary for you to take home and fill with gifts and prayers for children in need. Due to COVID-19, this year we are also offering to drop off empty boxes at your home and then pick them up once they are filled for your convenience and safety.

Each box contains an information sheet about items to include, as well as instructions regarding the cost of shipping. **Please remember to put a rubber band around the box when you return it.** If you want to help out, but are unable to fill a box yourself, you can drop off some items to contribute toward filling boxes in the laundry basket in the back of the sanctuary, or contact Noreen VanDoren for pick-up, and she will put together additional boxes with these donations.

Noreen's contact information is in the digital Church Directory or you can call the church office at (518) 456-1148 or her contact information. Additionally, for a donation of \$20 we will fill a box for you.

All boxes must be returned no later than November 21. Our goal is to provide 100 children with boxes of love, joy and the message of Christ. We hope you can help us meet that goal!

Planned Giving Defined...

New to Planned Giving?
Here's Where You Begin.

What are three most popular types of planned gifts?

1. Beneficiary Designation—You can designate your church as the beneficiary to an insurance policy, bank account, brokerage account, or retirement plan. This gift is simple to give and easy to arrange. It usually just requires the donor to sign a beneficiary designation form provided by the plan or account administrator.
2. Bequests—A bequest is a gift made through a will or living trust. There is no cost to the donor during their lifetime and is revocable. It only requires a simple codicil if the donor has an existing will or trust. Sample bequest language is available.
3. Blended Gift—This is a combination of an immediate and planned gifts.

If you find your date inconvenient, please attempt to switch with someone else and then let the church know (518-456-1148 or email mckownumc@verizon.net) as well as myself (518-456-0412 or email at nancy_e_rutenber@yahoo.com).

As Worship Leader, you help set the tone that prepares the congregation for worship. Worship leader notes with service guidelines are in the attached document. (If you cannot open, let me know.)

One copy of the Worship Leader Reference is kept in the pulpit/lectern. The pastor or guest speaker can inform you if there are any changes.

Aids to being Worship Leader -

Service outline and scripture: Look at a copy or email of the worship outline to familiarize yourself with the service for which you will be Lay Worship Leader. This includes the church policy about wearing masks.

Be early and get ready: On Sunday, please arrive at the church fifteen minutes prior to the service for which you are serving and check up front.

The microphone will be turned on; if you are tall or short, you may need to move it closer to your mouth. The visuals team started a 5-minute timer on the monitors to help get the services started on time. The worship leader can begin the greetings to the congregation after the timer counts down to zero and the organist/pianist is seated. In the fall, the Pastor may start handling this and announcements again.

Remember that worship is to God. Thank you for helping the congregants worship.
