WOMEN TOGETHER, a small group, plans to assemble more hygiene kits. They are distributed by UMCOR (United Methodist Committee on Relief).

If a disaster hits and a person is left with nothing, UMCOR can hand out a hygiene kit - a plastic bag with towel, washcloth, soap, comb, toothbrush, nail clip, bandaids. We are directed to buy specific items.

We invite you to join this project. We will be in the back of the church after worship to accept your donations on Sunday Feb. 26 and Sunday March 5. Or, if you bring money to the church office for this project be sure it is clearly marked "for hygiene kits".

SAVE THE DATE FOR: BROOKS BBQ!!:

The spring Barbeque is scheduled for **Saturday, April 29th, from 2:00 pm until sold out.** This is the church's largest fund raiser, and we need your help to make it a success. There are jobs for everyone. It is a fun day where our church family gets to work together. There will be a sign-up sheet in the back of the sanctuary as well as an online sign-up that will be emailed to all members. This is also a great opportunity for middle school and high school students to earn their community service hours. Volunteer opportunities include ticket sales, baggers, traffic control, meal runners, and more. Additionally, we are looking for people to help set up and clean up. We will have 800 chickens/meals to sell that day and we are hoping to sell out this spring. **More details to follow....**

“Where there’s a will, there’s a way!”

“Where there’s a will, there’s a way!” All of us have heard that statement or said it ourselves, probably many times throughout our lives. The human will is strong. God gave us the power to choose, He gave us free will; and when we set our sights on something, we dig deep into our resourcefulness and determination, and find a way to get it done. *It’s what we’ve done for ages!*

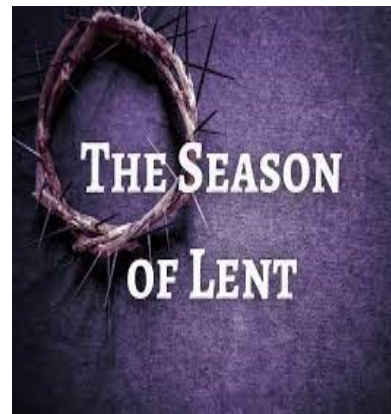

When we use our will for the good, incredible things can happen. We walk on the moon, new inventions and medical techniques are discovered, technology advances are non-stop, and the list goes on and on. Yes, where there is a will, there is a way, and we as humans have proven that over and over again throughout the course of history.

As we enter another Lenten Season, let’s remind ourselves that even though our human will has changed our lives in so many ways, there is still a greater and more powerful Will that has transformed our lives forever; a Will that is on a completely different level. When we consider God’s Will, and the Way that He has offered us, there’s simply no comparison to any other standard or human accomplishment. It was during this time of year, over two thousand years ago, that Jesus, in His own moment of distress, called on His Father with His words of true commitment saying, *“Not my will, but yours be done.”* Those words led Jesus to the Cross. He chose to follow His Father’s Will to save us and eliminate sin from the world. He had a choice, as we do every day, and He chose to *willingly* follow the Will of His Father..... ***for us!!***

Yes, we all have God given abilities that we use to contribute to our society and make our lives more manageable in our earthly settings. Our desire and will to provide a good life for our families is admirable, and sometimes we’re stretched to our limits to find our way. But our will can only take us so far. Jesus asks us to follow His example, including following His Will for us, and not our own. Following His Will is the only way we can live our lives in the peace and love that will lead each of us to our eternal homes.

Lenten Season is always a time of reflection on the life our Lord led to provide us with everlasting life. He completed His earthly journey by offering Himself to the Will of His Father. We can do the same as we pray for ourselves and each other to understand what His will is for us, and for the courage to carry it out.

Dear Jesus, we pray during this Lenten Season that You help us remove the worries and anxieties from our lives, as we fully give ourselves to you, to understand what your Will is for us, and know with full confidence that your Will is the only Way to eternal life with You.

*Have a blessed Lenten Season,
Dom Perfetti*

Healing Ministry

Welcome everyone to our Ministry of Healing. We are in the 3rd month of the year 2023. Let us offer our thanks to God for this new month. During my prayer for this month, God, Almighty, guided me to remember the farm lands and the farmers and their families. When we do our grocery shopping, we want to buy fresh greens, vegetables, and other things. All of the greens and vegetables will tell of the hard work done by the farmers and the harvest workers. We may not see them in person; but, through the internet we can see the farms.

In our bible, Genesis 1:11 says about how God almighty created the farm. The first farm was created by Him. Then God said, "let the land produce vegetation, seed bearing plants, and trees on the land, that bearing fruits with seed in it, according to their various kinds." and it was so. Then God created the man, Adam. In Genesis 1:18 it says, "Then Lord took the man and put him in the Garden of Eden to work it and take care of it." God created first a man as farmer and gardener. Genesis 1:29 says, "The first farmers, Adam and Eve, were a farmer family. God said to them, "I give you every seed bearing plant on the face of the whole earth, and every tree has fruits with seed in it. They will be yours for food." Adam's son, Cain, was offered the first offering to God (Genesis:4:3) some of the fruits of the soil.

A farmer's life is not an easy life. Getting too much more rain or snow would be a challenge for them. Harvest workers come from all different places. No matter with the hot sun, or very cold, they work hard to support their families. The farmer's daily goal is to cultivate fresh produce by sending it to the market for the customers. I had a good experience growing up and living with farmers. I learned how to grow rice and all kinds of produce. My father was one of the richest men in the town because had farm land. During my high school summer holidays, for three months, my father scheduled our summer activities, to go to his farm and live with the farmer's family. The farmer and his wife taught us about the farm and how all the vegetables grew. They woke us up early in the morning and gave us a list of chores to be done. We harvested vegetables with other harvest workers. So now, when we see food on our plates, we can understand how much hard work and sweat it took for the harvest workers. We are eating varieties of food and enjoying them.

Without them we cannot live healthy. The farmers and their families need our daily prayer and support. Let us bow our heads and say a prayer for them and thank God for his creation:

Healing Ministry

"God almighty, creator of all, we are offering our thanks for all the blessings given to us and for our families. We are praying for all the farmers, their families, the harvest workers, and their families. For all the farmers in our nation planting seeds, Lord God by your mercy and grace have the rain shower on it. During their harvest, may your hand help them. Lord, God, provide them with what they need for their cultivation. Pour your presence on them and all their families. If anyone in a farmer's family is suffering with sickness, may Your healing hand touch them and give them full healing. If any farmer is suffering with financial shortfalls, Lord, God, give your mighty financial blessings. May all the farm lands be blessed by your mercy and grace. May all the farmers and the harvest workers families be blessed now and forever. In your name we are praying. Amen. Amen. Amen.

From our Church Historian...

1866 McKownville Mission Church and What Happened to It

Building of the Church - *"In 1866 during the pastorate of Rev. E. E. Taylor In the old red school 3 miles east of Guilderland on the plank road preaching had occasionally been held and a regular Sunday school had for some time been maintained. In 1865 an acre of land was given by John McKown to the society for church purposes by a perpetual lease as long as it was used [and occupied for public worship.... The edifice] was completed in 1866 and a church organization effected. The cost of the edifice was about \$1800."*

– from 1885 Guilderland M. E. Church Historical Record (found in Troy Conference archives, now with UNY)

Note the different (bolded) names below for Guilderland M.E. Church's mission post in McKownville.

McKownville's First Church
Building - Dedicated 1866
(Now a Private Residence)

Early Years – Sunday morning service was held at the Guilderland church. Afternoon and/or evening service was at McKownville, which had no played music for about nine years. Then about 1875 a “*little*” organ that was “*similar to the household variety of organ*” was purchased. In 1876 the Guilderland society again paid two-thirds of the joint pastor’s salary while the **East Church at McKownville** paid one-third. In 1880 Aaron Oliver was Sunday School Superintendent. In 1884 the church at McKownville was “*beautified*” at an expense of \$230. The Ladies Sewing Society held a Thursday and Friday evening sale and supper (25 cents) in November 1894. (By January 1898, it was Ladies Aid Society.) January 1896 the annual “donation” toward the pastor’s salary was held at the McKownville church. 1898 McKownville church events included an August “patriotic entertainment” for 10¢ with ice cream served after and in September a clam bake mid-week on the church grounds for 50¢. [The 1898 10¢ might now be \$3.50 and \$.50 now \$17.40.]

Replacement of 1866 Church - At a February 1898 quarterly conference of the **First M.E. church of McKownville N.Y.** (as named in record book) the action of the prior June 1895 meeting was “void as limit of time expired.” It was then approved “that we build our church this year” and a committee of plans with three members was appointed. March 30, 1898 this committee was discharged and a building committee of seven was appointed (with the pastor in charge, C. Rowe, as chairman) with the cost of the building to be left to the judgment of the committee.

Sale - September 2, 1898 the Altamont Enterprise announced: The trustees of the McKownville M. E. church will *sell at public auction* the building known as the **Mission Church**, at said church, Saturday, Sept. 3d at 5 o'clock p.m. Terms and conditions of sale will then be stipulated. - By Order Com. H.S. Allen, Chairman [pastor Guilderland & McKownville 1898-1901]

Receipts for the new church included \$140 from the sale of the old church, \$1000 (minus \$50 for counsel fees) in a bequest from Mr. Wiltsey, \$700 from the church's Ladies Sewing Society, and \$3 from sale of fence + stoves. [\$140 then would now be about \$5000, and \$700 about \$25,000.]

January 20, 1899 Altamont Enterprise reported: *Dedicatory Services* - The new **Memorial M. E. church, McKownville**, recently completed, will be dedicated on Sunday, January 22d 1899.

The church's centennial 1966 photo directory told: “*The original church building was sold and moved to the property east and adjacent to the church property where it still stands.*” One person remembers visiting Janet Brown who lived in the house next door to the church. Janet, the daughter of Mrs. Isa Hein Brown, was married in the church on May 31, 1958. Earlier in May 1955 R. Evelyn Miller announced she had opened a Dance Studio at 1561 Western Ave. at the Thruway.

New Uses for House Site – In 1885 the original Hearley & Son Funeral Home was established. In 1971 a “*second edition of the third-generation Hearley & Son Funeral Home*” was built at 1561 Western Avenue, next to the church at 1565 Western Avenue. The church leased land to Hearley & Son for a right-of-way and parking area. As ground was broken for the new building in April, the former Mission House must have been either torn down or possibly moved again.

The funeral home here closed in 2000 and William J. Hearley Jr. was arrested in March 2002 for milking people out of pre-paid funeral money.

David Michael Schmidt contracted to buy the former funeral home pending approval of his planned use of it as Renaissance Floral Design, an event-planning business which had been established 1995 in Loudonville. The plan for the site was approved in November 2002.

Per Schmidt, his great-aunt Margaret Paige owned the Western Avenue property years ago before it was sold out of the family. Once the former funeral home building was remodeled, this new use started by 2004. In 2018 Renaissance put up, on the same footprint, a new building, as seen in picture below (by RFD).

Lenten Calendar 2023

This works like the reverse of an advent calendar. Each day during the 40 days of Lent (remember no Sundays! Those are the days you donate) gather from your pantry or add to your grocery list the suggested items in the below calendar. Instead of getting something each day like on an advent calendar, you GIVE something each day. At the end of the week, bring your donations to church. At the end of the collection the items will be blessed and then donated to the Guilderland Food Pantry. Ash Wednesday, February 22, 2023 starts Lent and should be the first day of your donations calendar.

If you find your date inconvenient, please attempt to switch with someone else and then let the church know (518-456-1148 or email mckownumc@verizon.net) as well as myself (518-456-0412 or email at nancy_e_rutenber@yahoo.com).

As Worship Leaders, you help set the tone that prepares the congregation for worship. Worship leader notes with service guidelines are in the attached document. (If you cannot open, let me know.)

One copy of the Worship Leader Reference is kept in the pulpit/lectern. The pastor or guest speaker can inform you if there are any changes.

Aids to being Worship Leader:

Service outline and scripture: Look at a copy or email of the worship outline to familiarize yourself with the service for which you will be Lay Worship Leader. This includes the church policy about wearing masks.

Be early and get ready: On Sunday, please arrive at the church fifteen minutes prior to the service for which you are serving and check up front.

The microphone will be turned on; if you are tall or short, you may need to move it closer to your mouth. The visuals team started a 5-minute timer on the monitors to help get the services started on time. The worship leader can begin the greetings to the congregation after the timer counts down to zero and the organist/pianist is seated. In the fall, the Pastor may start handling this and announcements again.

Remember that worship is to God. Thank you for helping the congregants worship.
